EN Profiles 2007/2008

EN Profiles is a quarterly company profile and special features supplement to EN The Magazine For Entrepreneurs, the leading North West of England business magazine reaching almost 13,000 companies and directors.

EN Profiles provides companies with the

opportunity to take part in both paid for (case study) and supplier supported (free for featured company) advertorials, which can be composed of editorial and photos or can contain an embedded advertisement if required.

EN Profiles always contains at least one major

area economic review, which can be accompanied by relevant company reviews or local authority EDU advertising.

EN Profiles contains specialist features on a diverse range of industries such as conferencing, awards, NW aerospace and NW haulage.

EN Profiles offers the following highly competitive rates:
